## **Returning to School after Holiday Break 2021**

**FSD is planning to return to school for in-person instruction for all grades, PreK-12, on Monday, January 4.**

We're excited to greet 2021 in this way!

All students who selected in-person instruction should plan to report back on January 4.

Students who are absent may access work via planbook or Google Classroom, but live instruction will not be provided digitally for students not in attendance.

Should MDHHS orders and restrictions change during the holiday break and cause us to change our plans for returning on January 4, we will keep you informed via email and/or all-call phone messages.

Thank you for your patience and understanding.

Adele Martin  
Superintendent
