ADELE MARTIN
SUPERINTENDENT

December 4, 2020

Dear Frankenmuth School District Families and Community:

I write this letter to you today in the hopes that knowing what to plan for – rather than waiting on news or changes that *could* be coming – will provide you with peace of mind and us with the best possible opportunity to ensure consistent continuation of our students' education. As such, I am sharing today that the Frankenmuth School District will continue to provide remote instruction for “in-person” learners in grades K-12 through Friday, January 8, 2021, and we will plan for the return of all “in-person” learners on January 11, 2021.

Additional operational information you may need follows:

- Little Eagles Daycare will remain open.
- List Elementary Preschool will be open.
- **FSD foodservice** will continue to provide breakfast and hot meals daily between 11:00 AM – 2:00 PM at the FHS concessions stand. If these times do not work for you to pick up meals, please reach out to FSD Foodservice Director Cindy Hegenauer at chegenauer@fmuthschools.com or 989-652-9955 to make alternate arrangements for meal pick up.
- Counseling staff, teachers, and administrators are available each school day to assist with needs that may arise. Please do not hesitate to reach out to us, and we will continue to make efforts to reach out to ensure continued contact with every student.
- In-Person instruction is expected to resume on campus on Monday, January 11, 2021.

As the holiday break nears, we will update families about availability of foodservice and daycare offerings.

Thank you for your patience, understanding, and continued support of our efforts.

Sincerely,

Adele Martin
Superintendent
